Tyler Goldthwaite has more than a decade of experience representing clients in complex business transactions, with a focus on the acquisition, financing, and disposition of commercial real estate properties. Tyler advises a host of clients including business owners, land developers, and financial institutions. Tyler's real estate practice covers multiple property classes, including office, industrial, retail, undeveloped land, and residential.

Prior to joining Cantey Hanger, Tyler served as an associate in a boutique business and commercial law firm focused on a practice including small business M&A, real estate transactions, construction and litigation. Tyler has also served as in house counsel for a Fort Worth-based energy company, where he specialized in oil & gas land titles and real estate acquisition and disposition.
