Whether it is business transactions or personal estate plans, Patrick Thorman's calm demeanor helps clients feel safe. His practice focus is primarily in the areas of probate, guardianship, estate planning (Wills and Trusts), business transactions, business disputes and real estate transactions.

He received his law degree from the Regent University School of Law in Virginia Beach, Va. While at Regent, Patrick received the Counselor at Law Award for his work with clients in the Civil Litigation Clinic. Additionally, he served as Executive Editor and was published by the Regent Journal of International Law.

Patrick is on the board of JLYASDI's Journey, an East Texas non-profit that provides support and services to families with premature babies in the NICU.
